Notes for guidance in filling up Return Form No. I. T. 11.

Important changes in the Act have been made by the Income-tax (Amendment) Act, 1939, and assessees are advised to read carefully such of these notes as are appropriate to their cases.*

1. *On the publication of the notices referred to in Section 22 (1) of the Act* every person or association of persons whose total income exceeds the maximum amount not chargeable with Income-tax is required to make a return of his total income and his total world income *whether or not he has been served with an individual notice under Section 22 (2) of that Act.* The maximum amount which is not chargeable to income-tax is as follows :—

In the case of—

(*i*) Any Court of Wards, Administrator-General, Official Trustee, any Receiver or Manager appointed under any order of a Court, or any trustee or trustees appointed under a duly executed trust deed, where the income, profits or gains or any part thereof are not specifically receivable on behalf of any one person, or where the individual shares of the persons on whose behalf they are receivable are indeterminate or unknown .. .. Rs. *Nil.*

(*ii*) Any company or local authority .. .. Rs. *Nil.*

(*iii*) Any person, being a British subject or the subject of a State in India or Burma, who is not resident in British India and whose total world income exceeds Rs. 2,000 .. .. Rs. *Nil.*

(*iv*) Any other non-resident person .. .. Rs. *Nil.*

(*v*) Any other individual, Hindu Undivided family, firm or association of persons .. Rs. 2,000.

Total income is the total income chargeable under the Act, and total world income includes all income wherever accruing or arising unless exempted under Section 4 (3) of the Act.

---

* *Note* :—In these notes " the Act " means the Income-tax Act, 1922.

2. "*Previous year*" means for each separate source of income—

(*a*) the year ended on 31st March prior to the income-tax year, or, at the option of the assessee, the year ended on the date (prior to the 31st March) to which his accounts have been made up, or
(*b*) the year prescribed by the Central Board of Revenue for any case or class of cases.

Certain conditions attach to the exercise of the option referred to in (*a*) and certain further conditions govern the determination of "previous year" in respect of a business, profession or vocation newly set up, and these are shown in Clause (11) of Section 2 of the Act.

For each source of income for which the previous year does not end on the 31st March, the last date of the previous year should be shown.

3. *Sources of income.*—The following income must be included in your return under the appropriate head—

(*a*) *So much of the income of your wife* as arises directly or indirectly from—

(*i*) her membership in a firm of which you are a partner;
(*ii*) assets transferred directly or indirectly to her by you otherwise than for adequate consideration or in connection with an agreement to live apart.

(*b*) *So much of the income of your minor child* as arises from—

(*i*) his (or her) admission to the benefits of partnership in a firm of which you are a partner;
(*ii*) assets transferred directly to him (or her) by you otherwise than for adequate consideration unless she is a married daughter.

(*c*) *So much of the income of any person or association of persons* as arises from assets transferred to the person or association otherwise than for adequate consideration for the benefit of your wife or minor child or both.

(*d*) *All income arising to any person* by virtue of a settlement or disposition whether revocable or not and whether effected before or after the commencement of the Indian Income-tax (Amendment) Act, 1939, from assets which remain your property, or by virtue of a revocable transfer of assets.

[Section 16 (1) of the Act contains definitions of "revocable", and "Settlement or disposition", and sets out also certain exceptions.]

(*e*) *Income from assets transferred to persons abroad* for the purpose of avoiding tax in the circumstances set out in Section 44D.

(*f*) *Income from securities, stocks or shares* which have been sold before the date of payment of the interest or dividend and re-purchased subsequently in the circumstances set out in Sections 44E and 44F.

4. (*a*) *An individual is "resident" in British India* if he—

(*i*) is in british India in that year for a period amounting in all to one hundred and eighty-two days or more; or
(*ii*) maintains or has maintained for him a dwelling place in British India for a period or periods amounting in all to one hundred and eighty-two days or more in that year, and is in British India for any time in that year; or
(*iii*) having within the four years preceding that year been in British India for a period or for periods amounting in all to three hundred and sixty-five days or more, is in British India for any time in that year otherwise than on an occasional or casual visit;

A Hindu undivided family, firm or other association of persons is resident in British India unless the control and management of its affairs is situated wholly without British India; and

A company is resident in British India in any year,

(*a*) if the control and management of its affairs is situated wholly in British India in that year, or
(*b*) if its income arising in British India in that year exceeds its income arising without British India in that year.

An individual is "not ordinarily resident" in British India in any year if he has not been resident in British India in nine out of the ten years preceding that year or if he has not during the seven years preceding that year been in British India for a period of, or for periods amounting in all to, more than two years;

(*b*) *A Hindu undivided family is deemed to be "ordinarily resident"* in British India if its manager is ordinarily resident in British India;

(*c*) *A company, firm or other association of persons is "ordinarily resident"* in British India if it is resident in British India.

5. *Tax already charged or deducted at source.*—In this column only British Indian tax should be entered. Super-tax deducted at source should be shown separately (unless, in the case of a salaried person, the assessee is unaware of the allocation between Income-tax and Super-tax). In the case of a dividend from a Company the tax to be entered is the net tax appropriate to that part of the dividend which has borne Income-tax and should be calculated at the rate in force for companies for the year in which the dividend was paid. Where this figure of tax is not known, it should be estimated and the word "estimated" written below the figure. The correct figure will then be computed in the Income-tax office. If any tax deducted at source is in excess of the amount on which you are chargeable, the excess will be deducted from any other tax payable by you provided that certificates of tax deducted are attached to this Return.

6. *Salaries* includes wages, pensions (if payable anywhere in India including an Indian State), annuities, gratuities, fees, commission, allowances, perquisites, value of rent-free quarters and profits received in lieu of or in addition to salary or wages. The full amount should be entered and not the net amount after deducting income-tax, your provident fund contributions, etc.

Prior to the Indian Income-tax (Amendment) Act, 1939, the basis was the amount of salary *received* in the previous year. It is now the amount actually received or the amount due *whether paid or not*. An advance of income is to be treated as salary on the date on which the advance is received.

If *by the conditions of your employment* you are required to spend any sum out of your remuneration *wholly, necessarily and exclusively in the performance of your duties* you may claim a deduction for such a sum and should give particulars. Travelling expenses from your house to your place of employment are not allowable.

A payment received by an employee from an employer or former employer or from a provident or other fund is taxable to the extent to which it does not consist of the return of your own contributions or interest thereon. Payments made solely as compensation for loss of employment and certain payments from provident funds to which the Provident Funds Act, 1925, applies, from a recognised provident fund or from an approved superannuation fund are exempted.

7. *Interest on Securities* means interest on promissory notes or bonds issued by the Government of India or any Provincial Government, or the interest on debentures or other securities issued by or on behalf of a local authority or company. The gross amount before deduction of income-tax should be entered.

Entries under this head should be accompanied by the certificate issued by the person paying the interest under Section 18 (9) of the Act.

Deductions are allowable in respect of—

(*a*) commission charged by a banker for collecting the interest ;

(*b*) interest payable on money borrowed for the purpose of investment in the securities except certain interest payable to persons abroad from which tax has not been deducted (see Section 8 of the Act for details). Full particulars (in a separate statement if necessary) should be given of any deduction claimed.

8. *Property.*—The tax is payable under this head in respect of the *bona fide* annual value of all buildings or lands appurtenant thereto, of which you are the owner, other than such portions of such buildings and lands as you occupy for the purpose of your business, profession or vocation, the profits of which are assessable to tax.

9. *Business, Profession or Vocation.*—You should complete item 4 (*a*) of Part I , and Parts IV and V of the Return in respect of any business, profession or vocation if you are the sole proprietor, or if you are making the Return on behalf of your firm. If you are a partner in a registered firm, or if your firm has applied for registration you must complete item 4 (*b*) of Part I, and if you are a partner in an unregistered firm you must complete item 4 (*c*) of Part I.

For the purpose of completing items 4 (*b*) and 4 (*c*) of Part I, the share of a partner is to be determined as follows :—

(*i*) *The share is the share to which he was actually entitled during the previous year and not the share to which he was entitled on the date on which the assessment is to be made* ;

(*ii*) it includes all interest (whether on loan or capital account, and whether actually paid or not) and all salary, commission or other remuneration paid, payable or credited to him.

Losses are to be computed in like manner as profits, and the balance of any loss made in the previous year for assessment for the year 1939-40, which cannot be set off wholly against other income of the same year, can be carried forward and set against the profits *of the same business, profession or vocation* of the following year.

Persons resident but not ordinarily resident, are entitled to deduct from their income arising abroad from a business controlled in or a profession or vocation set up in India, including Indian States, a maximum amount of Rs. 4,500 in respect so much of the profits not remitted to British India. They should, therefore, show their income in section A after deducting the appropriate amount upto a maximum of Rs. 4,500 from the unremitted profits.

Persons ordinarily resident, are entitled to deduct a maximum of Rs. 4,500 from *all income* accruing or arising abroad (including income from business controlled in or a profession set up in India including Indian States) but not remitted to British India. They should claim this deduction in section "C" to the extent to which it can be claimed here and the balance out of any unremitted profits included in section A which should be reduced accordingly.

Local authorities.—The income of local authorities which is chargeable to Income-tax is the profits and gains from a trade or business carried on by those authorities other than income arising from the supply of a commodity or service within its own jurisdictional area.

10. *Dividends from companies.*—The gross amount should be entered after adding to the net sum received Income-tax computed as explained in Note 5 above. Where the exact tax is not known, the estimated tax should be added and the figure of net dividend put in Column I followed by the word "net".

11. (*a*) *Agricultural income* from land not paying land revenue or local rates to an authority *in British India* and *all* agricultural income arising abroad (including Indian States and Burma) should be included under this head if received in British India.

(*b*) *Remittances received by a wife resident in British India from her non-resident husband* are deemed to be income accruing in British India and must be included in her return if they are not paid out of income included in her husband's total income.

12. *Non-residents.*—Income-tax is payable by a non-resident on the total of Section A. If he is a British subject or the subject of a State in India or Burma the Income-tax is computed by reference to the average of rates appropriate to the total of Sections A and C. The income of other non-residents is chargeable at the full company rate. The income of all non-residents is chargeable to super-tax on the total of Section A at the average of the rates appropriate to the total of Sections A and C. A dividend paid without British India is deemed to be income accruing and arising in British India to the extent to which it has been paid out of profits subjected to Income-tax in British India.

13. *For the Income-tax year 1939-40 only* tax is not chargeable in respect of both the income accruing or arising outside India in the previous year and the income brought into British India during that year out of income accruing or arising in earlier years but only in respect of the greater of these two amounts. If the former sum is the greater, Section B (2) should be marked "covered by Section C", and if the latter is the greater Section C should be marked "covered by Section B (2)".

14. Sums entered in Part II cannot be deducted from total income, but subject to the limits laid down in the Act, a deduction will be made in respect of such sums from the Income-tax payable at the average rate for the total income. No deduction from Super-tax is given in respect of these sums, except in certain special cases of members of unregistered firms and other associations of persons as provided for in the second proviso to Section 55.

15. The proviso to Section 7 (1) of the Act applies to sums deducted in accordance with the conditions of service for the purpose of securing a deferred annuity or of making provision for the employee's wife or children.

16. Details of the amounts to be entered in respect of a recognised Provident Fund should be obtained from the trustees of the fund or from your employer.

17. *Part IV.*—(*a*) In computing the profits or gains of a partnership *all* sums paid or credited to a partner must be disallowed. These sums will be taken into account in allocating the gross income of the business between the partners to ascertain the individual share of each partner. All sums of interest, salary or commission will thus be included in the partner's share of the firms income and will not be again assessed on that partner as interest, salary or commission respectively.

(*b*) Attention is particularly drawn to the provisions of Section 10(2) (*iii*) and Section 10(4) (*a*) of the Act which prohibits the deduction of any payment of interest chargeable under the Act which is payable without British India except interest on which tax has been paid or from which tax has been deducted, or in respect of which there is an agent who may be assessed under Section 43, or any payment chargeable under the head "Salaries" if it is payable without British India and tax has not been deducted. An exception is made in the case of interest on a loan issued for public subscription before 1st April 1938. These provisions do not apply to interest or salary which is not chargeable to income-tax under the Act (*i.e.*, interest on money borrowed abroad from a non-resident and not brought into British India in any form whatever, or salary for services rendered wholly abroad by a non-resident).

(*c*) *Depreciation.*—From the assessment year 1940-41, depreciation allowance is to be calculated at prescribed rates on the basis of "written down" value instead of on the basis of "original cost". The "written down" value is to be computed as follows :—

(*a*) In the case of assets acquired in the previous year, the actual cost represents the "written down" value.

(*b*) In the case of assets acquired before the previous year but after the commencement of the Amendment Act, 1939, the actual cost less all depreciation allowable under section 10 of the Act.

(*c*) In the case of assets acquired before the commencement of the Income-tax (Amendment) Act, 1939, the actual cost less for each financial year since acqusition amount of depreciation applicable to the assets at the rates in force for each year since 1st April 1922 and at the rates in force on the 1st April 1922, for each such year prior to date, but so much of the unabsorbed depreciation allowance as has been carried forward up to the assessment year 1938-39 is not to be deducted in arriving at the "written down" value.

18. *General Directions*—

(*a*) The form must be filled in and signed in ink. Losses may be shown in red ink.

(*b*) Figures only are to be inserted in columns (2) and (3) of Part I and should not be modified by words such as "about" or "approximately", except as stated in Note 5. The word "*nil*" must be entered in column (2) in Part I against each source from which you did not derive any income.

(*c*) If you spoil this form you should ask your Income-tax Officer for another. Erasures should not be made. You should sign your name in full against any alteration.

STATEMENT OF OBJECTS AND REASONS.

The Royal Commission on Labour drew attention to the desirability of regulating the working of small power factories which were outside the scope of the Factories Act, in respect of matters relating to health and safety. They also pointed out that the age and the hours of labour of children in such factories were unregulated. The Bill is designed to prevent the exposure of children to the risk of exploitation and employment in unhealthy and dangerous conditions. It extends the provisions of the Factories Act, dealing with health, safety, children and registration, to power factories employing from 10 to 19 persons, if any of those persons is not qualified to work as an adult. Provincial Governments who have been consulted, are given full power to extend these provisions to power factories employing less than 10 persons, if any of those persons is not qualified to work as an adult.

6. If any statement, design or device appearing on any part of the prescribed label is in itself false or misleading it shall be no defence that it is explained by any statement or by any descriptive matter appearing elsewhere on the prescribed label or on another label.

7. No label need be attached to any receptacle in which meat, baker's products, newly cooked food, sweetmeats, grain, fresh fruit or vegetables are exposed for sale or to any receptacle containing any food or drug or any compound or mixture thereof which the Local Government on the recommendations of the Corporation may from time to time exempt from the operation of these bye-laws.

8. A breach of any of the provisions of bye-laws 1, 2, 3, 5 and 6 shall be punishable with fine which may extend to fifty rupees and in the case of a continuing breach with fine which may extend to ten rupees for every day during which the breach continues after conviction for the first breach.

A printed copy of the bye-laws is open to public inspection free of charge. It may also be purchased on payment of a fee of annas two from the Central Record Keeper, Central Municipal Office, on any working day between the hours of 12 and 3 p.m.

Any person having any objection to the proposed bye-laws should submit the same on or before the 21st April 1940, after which date the proposed bye-laws will be further proceeded with.

4. Where there is more than one person having control over the tank the notice shall be served on each of such persons unless there is a common manager or a common agent empowered to accept service of the notice on behalf of such persons or some of them in which case the service of the notice on such common manager or common agent shall be deemed to the sufficient service on the persons whom the common manager or the common agent represents.

5. Where the person having control over a tank cannot be found, and has no agent empowered to accept service of the notice on his behalf, service may be made on any adult male member of the family of the person who is residing with him.

6. When the serving officer delivers or tenders a copy of the notice to the person having control over the tank personally, or to an agent or other person on his behalf, he shall require the signature of the person to whom the copy is so delivered or tendered to an acknowledgment of service endorsed on the original notice.

7. Where the person having control over the tank or the agent or such other person as aforesaid, refuses to sign the acknowledgment, or where the serving officer, after using all due and reasonable diligence, cannot find the person having control over the tank and there

APPENDIX I.

[*Vide* Rule 10 (*b*) (*i*).]

Regulations as to the physical examination of candidates for direct recruitment to the Bengal Subordinate Educational Service.

General physical requirements.

I A candidate must be in good mental and bodily health, and free from any physical defect likely to interfere with the efficient performance of his duty.

II. In the examination of candidates the Medical Officer will apply the following table of correlation of age, height and chest girth:—

Age	Height without shoes.			Chest measurement on full expiration.	Chest measurement on full inspiration.
	Inches		Inches.	Inches.	Inches.
21 and upwards	62½	and under	65	30	32
	65	,,	68	31	33
	68	,,	70	32	34
	70	,,	72	33	35½
	72	and upwards		34	36½

III *Measurement of chest*.—The candidate will be made to stand erect with his feet together and raise his hands above his head The tape will be carefully adjusted round the chest, with its posterior upper edge touching the interior angles of the shoulder blades, and its anterior lower edge the upper part of the nipples The arms will then be lowered to hand loosely by the side, and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape The candidate will then be directed to empty his chest of air as much as is possible This is best done by continuous whistling with the lips as long as sound can be produced. The tape will be carefully gathered in during the process, and when the minimum measurement is reached it will be recorded The candidate will then be directed to inflate his chest to its utmost capacity. The maximum measurement will likewise be noted. The girth with the chest fully expanded and the range of expansion between the minimum and maximum will then be recorded. In all doubtful cases the functional capacity of the lungs may be tested by means of the spirometer. The minimum vital capacity as tested by the spirometer shall in no case be below 180 cubic inches.

IV. The hearing must be good.

V. The speech must be without impediment.

VI. The teeth must be in good order, *i.e.*, decayed or broken teeth must be properly stopped or crowned, and deficient teeth replaced by artificial teeth, where necessary, for effective mastication.

VII. The chest must be well formed, the lungs and heart sound.

VIII. Rupture, hydrocele, varicocele, varicose veins in a severe degree, or other conditions likely to cause inefficiency will disqualify a candidate, unless such conditions is cured by operation. Where any candidate has been rejected and has subsequently undergone one or other operation for hernia, hydrocele, varicocele or varicose veins, the Medical Officer may pass him, provided he is satisfied that the candidate has been radically cured.

IX. The limbs, feet and toes must be well formed and developed, with free and perfect motion of all the joints.

X. A candidate must have no congenital malformation or defect likely to interfere with his efficiency.

XI. A candidate must not be subject to chronic skin disease.

XII. Evidence or previous acute or chronic disease pointing to an impaired constitution will disqualify.

Standard of minimum acuteness of vision required.

Better eye.	Worse eye.
Vision=6/6	Vision=6/9

after correction with glasses, provided there are no morbid changes present in the choroid or retinæ.

2. Cases of myopia may be admitted provided the ametropia in either eye or both eyes does not exceed—3·5 D and there are no morbid changes in the choroid or retinæ.

Cases of myopia with posterior staphyloma may, however, be admitted, provided ametropia in either eye does not exceed—2·5 D and no morbid changes are present in the choroid or retinæ.

3. Candidates with hypermetropia may be admitted, provided the acuteness of vision is—

Better eye.	Worse eye.
Vision=6/6	Vision=6/9

after correction with glasses.

4. In cases of defective vision due to nebula of the cornea, the candidate will be rejected.

5. Squints or any morbid conditions subject to risk of aggravation or recurrence in either eye may cause rejection of a candidate.

6. Colour vision need not be taken into account.

Form of medical certificate for direct recruitment to the Bengal Subordinate Educational Service.

The attention of the Medical Officer is specially directed to the following :—

No person will be deemed qualified for admission to the service who shall not satisfy Government that he has no disease, constitutional affection or bodily infirmity, unfitting him, or likely to unfit him, for the service. It should be understood that the question of fitness involves the future as well as the present and that one of the main objects of medical examination is to secure continuous effective service, and in the case of candidates for permanent appointment to prevent early pension. It is at the same time to be noted that the question is one of the likelihood of continuous effective service, and that the rejection of a candidate need not be advised on account of the presence of a defect which in only a small proportion of cases is found to interfere with continuous effective service. Before filling up the form it should be ascertained from the candidate whether he has been previously pronounced unfit for service of the Crown by any duly constituted medical authority in India or elsewhere.

ECCLESIASTICAL.

No. 304.—In exercise of the powers conferred by section 5 of the Indian Church Act, 1927 (17 and 18 Geo. 5, Ch. 40), and in supersession of the Indian Church Statutory Rules, 1929, in their application to India the Governor-General of India in Council with the sanction of the Secretary of State for India and with the concurrence of the Bishop of Calcutta, is pleased to make the following rules:—

THE INDIAN CHURCH (INDIA) STATUTORY RULES.

1. These rules may be called the Indian Church (India) Statutory Rules, 1940.

Chaplains.

2. No Chaplain shall minister in any Maintained Church in any diocese in India unless he has obtained and holds a licence to officiate (hereinafter called a licence) from the Bishop of the diocese concerned. Every such Chaplain as a condition of obtaining such licence shall make the declarations required to be made by the Canons of the Indian Church before a licence is granted. Such licence when requested shall not be withheld except on account of the Chaplain's refusal to make any of the said declarations or for reasons for which under the law for the time being in force in England a Bishop of the Church of England may refuse to institute or admit a clergyman presented to a benefice in England other than reasons concerning the transfer of the right of patronage and any reasons named in the English Law in force at the time which may be declared by the Governor-General with the concurrence of the Bishop of Calcutta to be inapplicable in India. If any Bishop of the Indian Church withholds a licence for which request is made by a Chaplain either on first appointment as Chaplain or on transfer from one diocese to another, the Chaplain may appeal either to the Bishop of Calcutta or, if the Bishop of Calcutta is the Bishop who has withheld the licence, to the Bishop of Madras or the Bishop of Bombay, whichever is senior by consecration, and the decision on the appeal shall be final. If any such appeal is allowed, the Bishop who has withheld the licence shall thereupon grant it. Provided that a Chaplain working in India at the date of severance and holding a licence from the Bishop of his diocese shall not be required to obtain a new licence unless and until he is transferred to another diocese, and if he be transferred to another diocese, he shall be allowed to make the declarations which were required before the date of severance instead of the declarations required to be made by the Canons of the Indian Church if he have a conscientious objection to anything contained in the latter.

3. Every Chaplain shall be under the episcopal supervision of the Bishop whose licence he holds, and his successors.

4. No Chaplain shall undertake any work other than that of ministering to His Majesty's troops and the servants of the Crown and their families if either the Bishop of the Governor-General objects to his undertaking such work.

5. Subject to the provisions of Rule 6, no Chaplain shall officiate as a minister of the Indian Church except in so far as he may be authorised so to officiate in accordance with the rules for the time being of the Indian Church; nor shall any Chaplain administer or perform any sacrament, rite, ceremony, solemnisation of marriage, service or religious ministration of any kind purporting to be a sacrament, rite, ceremony, solemnisation, service or religious ministration of the Indian Church except in conformity with the rules for the time being of that Church.

6. Every Chaplain shall have the right to use the services contained in any Book of Common Prayer from time to time authorised by law in England when ministering in a Maintained Church or elsewhere to a congregation which includes members of the Church of England temporarily resident in India and which worships in the English language, and no Chaplain shall, by reason of exercising this right, notwithstanding anything in the Constitution, Canons or Rules of the Indian Church, be liable to any ecclesiastical penalty, censure or disability whatsoever, nor shall any authority of the Indian Church hinder any Chaplain in the exercise of such right.

7. Subject to the provisions of Rule 2, Chaplains shall be posted by such person or persons as the Governor-General after consultation with the Bishop of Calcutta shall appoint.

8. The Governor-General shall facilitate the attendance of Chaplains at Diocesan Councils when summoned by the Bishops.

9. Before commencing proceedings or allowing proceedings to be commenced against any Chaplain before any Ecclesiastical Court, the Diocesan Bishop concerned shall notify the Governor-General through the Bishop of Calcutta of his intention so to do, and shall give the fullest consideration to any representation on the subject that may within four weeks of such notification be made to him by the Governor-General.

10. Before withdrawing the licence of any Chaplain the Diocesan Bishop concerned shall communicate in confidence in such way as he thinks fit with the Governor-General.

Maintained Churches.

11. The Churches entered for the time being in the Second Schedule to the Indian Church Act shall be maintained and repaired at Government expense, provided that nothing in this rule shall impose any liability on Government to repair any Church when before the passing of the Act such Church was not repaired at Government expense.

12. The Governor-General may remove any Church from the list contained in the Second Schedule to the Indian Church Act by agreement with the Bishop of Calcutta or by 12 months' notice expiring with the end of a financial year, provided that such notice shall not be given unless he has notified his intention to do so to the Bishop of Calcutta and allowed him a reasonable opportunity of showing cause against such removal.

13. The Governor-General may with the concurrence of the Bishop of Calcutta add any Church to the list, transfer any Church from Part I of the list to Part II thereof or *vice versa*, or from the subdivision 'A—Military Churches' of Part I to the subdivision 'B—Civil Churches' thereof or *vice versa*, or replace on the list any Church which has been removed in accordance with Rule 12, and such addition or replacement shall take effect from the beginning of a financial year.

14. The Governor-General shall, before the end of March in each year, send to the Bishop of Calcutta a correct list of Maintained Churches for the ensuing financial year.

15. If the Governor-General removes a Church from the list for the time being of Maintained Churches, such Church if at that time vested in the Crown shall vest in the Indian Church Trustees, provided that if the Governor-General shall so require, the Indian Church Trustees shall hold it upon the trusts following, namely:—

(1) Upon trust to permit the services of the Church of England as contained in any Book of Common Prayer from time to time authorised by law in England or any of them to be performed in that Church for any congregation which includes members of the Church of England domiciled in the British Isles (*a*) if a majority of the members of the congregation so domiciled or a majority of the members of the congregation worshipping in that Church in the English language desire such services, and (*b*) if and so long as the congregation is willing to contribute an equitable sum to be determined by the Bishop of the Diocese towards the cost of such services and towards the maintenance and repair of the Church;

(2) Upon trust to arrange for such services to be held at such times as are convenient to the congregation:

Provided further that if during a period of seven consecutive years, which period may include any period previous to the date of severance, no service has been held in any such Church, such Church shall be held freed and absolved from the trusts (if any) above specified.

16. Subject to the provisions of these Rules the Churches from time to time entered in the list of Maintained Churches shall be available for the services of the Church of England as contained in any Book of Common Prayer from time to time authorised by law in England.

17. The services mentioned in Rule 16, when performed in a Maintained Church, shall be performed in such manner and according to such rules and by such persons as may be agreed as being in accordance with the practice of the Church of England by the Governor-General and the Bishop of Calcutta, or, failing agreement, as may be determined by the Archbishop of Canterbury.

18. Subject to the provisions of Rules 16 and 22, a form of service or a form of part of a service authorised in India, whether authorised by law in England or not, may be used in a Maintained Church, if the Chaplain or Minister in Charge of that Church and the Church Committee desire it.

19. (1) Forms of service authorised by the Bishop of Calcutta or the Bishop of the Diocese either (i) for special occasions at the request or with the consent of the Governor-General or the Governor of the Province or (ii) for troops at the request of the Commander-in-Chief in India, may be used in Maintained Churches either in addition to the Church of England services or in substitution therefor.

(2) Special Collects or Prayers for occasions or subjects peculiar to India may, on the appropriate occasions, be either substituted for prayers in the Church of England services or be added to those services.

20. Subject to the provisions of Rule 19, no service or part of a service which is not either contained in any Book of Common Prayer from time to time authorised by law in England or authorised by the Indian Church shall be used in a consecrated Maintained Church except when the Church is lent to some other Church or denomination.

21. No sacrament, rite, ceremony, solemnisation of marriage, service or religious ministration of any kind purporting to be a sacrament, rite, ceremony, solemnisation, service or religious ministration of the Indian Church shall be administered or performed in any Maintained Church except in conformity with the rules for the time being of the Indian Church.

22. The services of the Church of England shall, in every Maintained Church, have the first claim to the hours of service on every Sunday and Holy Day, and the times at which they shall be held shall be those most convenient to the congregation attending the Church of England services which are conducted in the English language in that Church. The hours shall be fixed by the Chaplain or Minister in Charge in consultation with the Church Committee, and, in the case of services for troops, the Officer commanding the station.

23. No congregation which at the date of severance had a customary right to worship in a Maintained Church shall be prevented from so doing.

24. The practice or practices followed by the Church of England in India with regard to the marriage of persons in Churches during the 20 years preceding the date of severance, including those relating to the marriage in Church of divorced persons and to marriages between persons within the prohibited degrees, shall continue to be followed in Maintained Churches unless and until they are modified by the Indian Church, but no person whose domicile is outside India shall be debarred by any rule made by the Indian Church from being married in a Maintained Church who would have been entitled to be married in such Church in accordance with the practices followed before the date of severance.

25. The arrangements made for the loan of Churches which have been consecrated for the use of the Church of England which are in force at the date of severance shall be carried out by the Church in India unless varied by mutual consent of the Governor-General and the Bishop of Calcutta.

Episcopal Supervision and Ministrations.

26. The Indian Church shall provide episcopal supervision for Chaplains and episcopal ministrations for the congregations worshipping in Maintained Churches, and the Governor-General shall make such grants as he may think fit to the Church in consideration of such episcopal supervision and ministrations.

Alteration of Rules.

27. If the Bishop of Calcutta refuses to concur in an alteration of these rules proposed by the Governor-General, with the sanction of the Secretary of State, as regards the episcopal supervision of Chaplains ministering to troops, the Governor-General may, if he thinks fit, require the matter to be referred to arbitration of the Archbishop of Canterbury, or, if he be unwilling to act, some person appointed by him, or, if he fail to make such appointment, a person appointed by the Governor-General and the Bishop of Calcutta, and in the case of such reference the decision of the arbitrator shall be final.

Breaches of the Rules.

28. If it shall appear to the Governor-General that any officer of the Indian Church has committed a breach of these rules, he shall bring the matter to the notice of the Bishop of Calcutta, who shall take such steps as he thinks fit to ensure their observance.

29. (i) If after bringing alleged breaches of these rules to the notice of the Bishop of Calcutta, the Governor-General shall be of opinion that such breaches continue to be committed, whether with the knowledge of the authorities of the Indian Church or through their default or neglect, or otherwise, or (ii) if he shall be of opinion that the Indian Church is so administered that the general intention of these rules is frustrated, and if, in either case, the Bishop of Calcutta differs from the opinion of the Governor-General, the matter or matters in question shall, with the sanction of the Secretary of State, be referred to arbitration in the manner provided by Rule 27, and the decision of the arbitrator shall be final.

30. If the arbitrator shall find that a breach of these rules has been and is being committed or that the Indian Church is so administered that the general intention of these rules is frustrated, and that the default is such as to justify the Secretary of State in taking action as specified in this rule, then the Secretary of State may if he thinks fit call upon the Indian Church by its representative the Bishop of Calcutta to carry out any suggestions of the arbitrator for remedying such default and on the refusal or failure of the Indian Church to carry out such suggestions or without so calling on the Indian Church may declare that in all or any of the churches entered at the date of the declaration in Part I of the Second Schedule to the Act the ecclesiastical law of the Church of England to such extent as the Archbishop of Canterbury may direct shall be observed and followed, and in such case the Governor-General may, with the sanction of the Secretary of State, and the concurrence of the Archbishop of Canterbury, amend or cancel rules made on any matter specified in paragraphs (vi), (vii), (viii), (ix) and (xii) of section 5 of the Act, and/or make new rules in substitution therefor, or in amplification or modification thereof, and the Secretary of State may, at any time, after making the above-mentioned declaration, further declare that all or any of the said churches shall, at the expiration of twelve months from the date of his declaration, vest in the Crown or in such person or persons as he may appoint for an absolute estate in possession, and such of them as are duly consecrated shall be held in trust for the purpose of ministrations in accordance with the rites of the Church of England, and shall be freed from any claim by the Indian Church or officials or members thereof.

If the Secretary of State shall make the first above-mentioned declaration without making the second declaration and the Archbishop of Canterbury shall declare his assent thereto, the Secretary of State may require the Indian Church to provide episcopal ministrations for the churches specified in the said declaration and episcopal supervision of Chaplains serving therein, and the Indian Church shall provide such episcopal ministrations and supervision so long as the Chaplains concerned hold licences from Bishops of the Indian Church, and the congregations of the said churches remain congregations of the Indian Church. If the Secretary of State make the second above-mentioned declaration no obligation shall rest on any Bishop of the Indian Church to give episcopal supervision or ministrations in churches to which the second declaration shall apply.

Special Notice by the Governor-General to determine certain Provisions.

31. The Governor-General, with the sanction of the Secretary of State, may at any time give five years' notice to the Bishop of Calcutta that he intends to make either or both of the declarations mentioned in Rule 30, so far as concerns the churches included at the date of the declaration in Part I (A) of the Second Schedule to the Act, provided always that such churches shall vest in the manner and on the conditions prescribed in Rule 30 forthwith on the making of the said declaration, and not on the expiration of twelve months from the date thereof, and the declaration shall be modified accordingly.

Interpretation of the expressions "Church Committee" and "Governor-General".

32. The expression "Church Committee" means, in the case of any Maintained Church served by a Chaplain, the Church Committee as constituted by the rules of Government before the date of severance or as constituted by rules made by the Governor-General with the concurrence of the Bishop of Calcutta after the date of severance, and in the case of any Maintained Church not served by a Chaplain, the Church Committee as constituted by rules made with the approval of the Governor-General by the General Council of the Indian Church or, failing such rules, by the Diocesan Council of the diocese concerned.

33. In these rules the expression "Governor-General" shall—

(a) in relation to the period between the commencement of Part III of the Government of India Act, 1935, and the establishment of the Federation of India mean, as respects matters with respect to which the Governor-General is by and under the provisions of the said Act for the time being in force is required to act in his discretion, the Governor-General and as respects other matters the Governor-General in Council;

(b) in relation to any period after the establishment of the Federation mean the Governor-General acting in his discretion; and

(c) in relation to any period after the commencement of Part III of the Government of India Act, 1935, be construed as including a reference to the Governor of a Province acting within the scope of any authority given to him under Part VI of the said Act.

NOTIFICATION.

EDUCATION.

New Delhi, the 6th March 1940.

No. F.-78-5/39.—The following amended rules* for the encouragement of the study of oriental languages which the Government of India have been pleased to make in supersession of all previous rules are published for general information.

I. These rules are applicable, subject to the modifications stated below, to the following officers serving directly under the Government of India:—

(i) Officers of the Indian Civil Service.

(ii) Military officers in permanent civil employ.

(iii) Officers of the Indian Political Service.

(iv) Officers of the Indian Educational Service.

(v) Officers of the Imperial Branch of the Indian Police Service.

(vi) Chaplains of the Indian Ecclesiastical Establishment.

(vii) Officers of the Indian Agricultural Service.

(viii) Officers of the Indian Veterinary Service.

(ix) Officers of the Indian Forest Service.

(x) Officers of the Europe-recruited branch of the Indian Service of Engineers.

(xi) Officers of the Indian Railway Service of Engineers and Superior Revenue Establishment of State Railways.

The following restrictions will apply to officers of the Indian Educational Service, *viz.*, that a professor of any language cannot obtain a reward in that language, and that no officer will be permitted to receive rewards for passing by a given standard in more than two Modern Indian Languages and two classical languages.

Chaplains are eligible only for rewards for passing examinations in the languages of the province in which they are serving, and no rewards will be given to such officers for passing in Classical Languages. Arabic, Persian and Sanskrit are the "Classical Languages", while all the rest of the languages tabulated in Rule III below are "Modern Indian Languages."

*These rules do not in any way affect the departmental examinations or language examinations which officers have to pass under the orders of the Government of India.

Officers of the Indian Agricultural Service, the Indian Veterinary Service, the Imperial Forest Service, the Europe-recruited branch of the Indian Service of Engineers and the Indian Railway Service of Engineers and Superior Revenue Establishment of State Railways are only eligible for rewards for passing the Higher Standard, 1st class and 2nd class Interpretership examinations. Officers of the Indian Agricultural Service, the Indian Veterinary Service and the Europe-recruited branch of the India Service of Engineers may also be admitted to the Degree of Honour examination, but only in exceptional cases when the Government of India is satisfied that it is in the interest of the public service that the Officer in question should be allowed to take the examination. In case of the Officers of the Indian Railway Service of Engineers and Superior Revenue Establishment of State Railways the Railway Board will decide in each case whether an officer should or should not be permitted to appear for the examination.

Officers serving under Provincial Governments may, with the consent of the Provincial Government concerned and by arrangement made by that Provincial Government with the Board of Examiners, Army Headquarters, appear for the examinations under these rules. Such officers will not, however, be eligible for the rewards specified in these rules unless the Provincial Governments specifically agree to their payment.

II. Candidates may present themselves for examination only in those languages in which it would be of an advantage to the Government of India that they should qualify. A statement to this effect should be furnished by the candidate's superior officer when forwarding the candidate's application. An officer who has passed (or who may pass under any Provincial Government's rules or the military rules) any of the tests equivalent to those admissible under these rules will not be eligible to sit for the corresponding tests in the same language under these rules.

II-A. Officers of the Indian Political Service desiring to qualify in modern Arabic or Persian by the Interpretership standard may be permitted to proceed on deputation under the Fundamental Rules for a period not exceeding 8 months to a country where Arabic or Persian, as the case may be, is the spoken language to study that language.

III. The donations to be given to successful candidates will be as follows, subject to the conditions that (i) from all rewards, except for the Degree of Honour, any rewards previously drawn for the same language are deducted, and (ii) the grant for requalification as a 1st class interpreter, after a minimum interval of three years, will be one quarter of the reward for the original qualification:—

NOTIFICATION.

No. 547L.C.—26th March, 1940.—In pursuance of the provisions of rule 51 of the Bengal Legislative Council Procedure Rules, the following Bill which was introduced in the Bengal Legislative Council on the 15th March, 1940, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL LAND REVENUE SALE (AMENDING) BILL, 1938.

A
BILL

to amend the Bengal Land Revenue Sales Act of 1859.

WHEREAS it is expedient to give further protection to the proprietors against sale of their estates from error or want of notice by amending Act XI of 1859, it is enacted as follows :—

1. This Bill may be called the Bengal Land Revenue Sale (Amending) Bill, 1938.

2. It shall extend to those parts of Bengal where Act XI of 1859 applies.

3. It shall come into force on such date as the Local Government may by notification appoint.

4. The following two paragraphs shall be added after second paragraph of section 6 of the Act :—

The Collector or other officer duly authorised to hold sales, shall also issue notice of sale by registered post in the name of the recorded proprietors of the estate, and in case their number be more than 5, in the name of five biggest recorded shareholders intimating them of the particulars of sale—the cost of such registered notices being realised from the defaulters if the sale does not take place, otherwise from the sale-proceeds.

No sale shall take place until the officer conducting the sale has satisfied himself that the notification of sale has been duly published and the notices of sale have been sent to proprietors by registered post.

STATEMENT OF OBJECTS AND REASONS.

The rigours of the Sale Law (known as sun-set law) Regulation II of 1859 have to a great extent been relaxed but even now cases do occur when estates are sold for no actual default but on account of error or want of notice of sale. To prevent such sales it is necessary to make some provision for notice on the proprietors individually by registered post. Where the number of proprietors is large, such notice may be issued to only five biggest share-holders. The cost of such notice may be realised from the defaulter if the sale does not take place. In case sale takes place, in spite of notice, the cost may be realised from the sale-proceeds.

NOTIFICATION.

No. 556L.C.—26th March, 1940.—In pursuance of the provisions of rule 51 of the Bengal Legislative Council Procedure Rules, the following Bill which was introduced in the Bengal Legislative Council on the 15th March, 1940, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL EMERGENCY RENT REMISSION BILL, 1938.

WHEREAS it is expedient to provide for remission of rent on account of failure of crops and continued low prices of staple food crops for enabling the agriculturists to tide over financial crisis due to such causes, it is enacted as follows :—

1. This Act shall be called the Bengal Emergency Rent Remission Act, 1938.

2. It shall extend to the whole of Bengal and shall apply to only occupancy and non-occupancy raiyats and under-raiyats as defined in the Bengal Tenancy Act of 1885.

3. It shall come into force from the date of assent of His Excellency the Governor of Bengal.

4. Whenever any general failure of principal crops occurs in any village to the extent of not less than 50 per cent. of normal yield, for reasons not within the control of the cultivators, the cultivating raiyats, whether they are occupancy or non-occupancy raiyats or under-raiyats (but not being a mukarari raiyat or under-raiyat) shall be entitled to get remission of rent in proportion to the ratio of failure of yield and the Collector of the district at his own initiative may and on the application of the tenants or their representatives in the legislature shall allow such remission by publishing a notification in the Official Gazette showing the percentage of and the period for which remission is allowed in any specified area :

Provided that no application for such remission shall be entertained unless made within six months of the ordinary time of reaping of the crops which have failed :

Provided further that the remission allowed shall have retrospective effect in respect of tenancies of which rents have already been paid and the landlord shall be bound to effect necessary adjustment when rent is next paid for such tenancies.

5. Whenever any sudden abnormal fall in the prices of staple food crops occurs—the prices falling below the last twelve years average by more than 33 per cent.—and such low prices continue for more than two years, the raiyats and under-raiyats in spite of anything in section 38 of the Bengal Tenancy Act shall be entitled to get remission of rent proportionately to the fall for the period during which such low prices continue and the Collector of the district at his own initiation may and on the application of the raiyats and under-raiyats or their representatives in the legislature shall allow such remission by publishing a notification in the Official Gazette showing the percentage of and the period for which, the remission is allowed in each specific area, provided that ordinarily no application for such remission shall be entertained unless made within two years of the period for which remission is claimed, but this proviso shall not affect the claim to remission for the period 1930 to 1938, which shall be entertained if made within a year of this Act coming into force :

Provided further that the remission allowed shall have retrospective effect in respect of tenancies of which rents have already been paid and the landlord shall be bound to effect necessary adjustment when rent is next paid in respect of such tenancies.

6. Decrees of Civil Courts and awards of Agricultural Debt Settlement Boards for arrears of rent obtained before or after the passing of this Act of which execution proceedings are or are not pending or of which no sale has been made or confirmed shall be executed after deducting the amount to

The Bengal Emergency Rent Remission Bill, 1938.

(Clause 7.)

which the judgment-debtor may be entitled, as remission according to the provisions of this Act, from the decretal amount, and no damage shall be allowed under section 68 of the Bengal Tenancy Act in such cases, but only interest at 3 per cent. and all such decrees and awards shall be revised according to the provisions of this section:

Provided that the provision of this Act shall not apply to road cess demand which shall remain unaltered till next revaluation.

7. Sales of immovable properties in execution of any decree (whether Civil Court or Certificate Officer) in which the decree-holder landlord is the sole purchaser and the purchased land has not been already transferred to a third person whether absolutely or partially before August, 1938, shall be set aside if within six months from the passing of this Act the tenant judgment-debtor deposits in Court towards satisfaction of the decree, an amount calculated after deducting from the decretal amount the amount of remission to which the tenant is entitled according to provision of this Act, the amount received from the tenant by the decree-holder in cash and the value of the usufruct enjoyed from the land by the decree-holder.

STATEMENT OF OBJECTS AND REASONS.

Unfortunately for the agriculturists of Bengal the Bengal Tenancy Act does not contain any provision for remission of rent for failure of crops, though Tauzi Manual permits such remission in khas mahal areas. There is no reason why the ordinary occupancy and non-occupancy raiyats and under-raiyats in permanently-settled estate should not get any consideration for failure of crops. If their rents were fixed in perpetuity like that of the proprietors, the latter could reasonably resist any attempt at this ordinary concession to cultivating raiyats of khas mahal areas being extended to permanently-settled area. But why should there be any difference between ordinary raiyats in khas mahal and ordinary raiyats in permanently-settled area? Some provision for remission of rent for failure of crops in permanently-settled area is thus overdue and this Act merely tries to remove the defect which has been operating most harshly against the agriculturists of permanently-settled area.

The provision of Bengal Tenancy Act regarding reduction of rent as embodied in section 38 of the Act is not at all satisfactory. It has not made any provision for reducing rent which may be abnormally high as compared with the yield of the land nor has it made any provision for temporary reduction or remission of rent for sudden fall in prices owing to temporary causes. It will be the duty of the Revenue Commission to go into the matters in details, but owing to the abnormal low prices of 1930 to 1936 it has become absolutely necessary to allow the raiyats some relief immediately as also to make some provision in the law for such relief in future on account of sudden abnormal fall in prices owing to temporary causes. Provision has therefore been made in this Bill for proportionate remission of rent if the prices fall more than 33 per cent. and the low prices continue for more than two years. Retrospective effect has been sought to be given by readjustment not only of rent dues but also of decretal amounts in all pending decrees. Provision has also been made for retransfer from auction purchasers to the tenant in cases where such transfer is easily possible.

The Bill, if passed into law, will go to a great extent to relieve the raiyats who have been hard hit by the depression. If the money-lender can be prevailed upon to be content with his dues reduced (even below the principal amount in many cases), why should not the landlords who have increased their income by 4,000 per cent. since the permanent settlement (of which 3,000 per cent. was certainly due to unjust enhancement of rates and rents) should not be satisfied with the rents of ordinary raiyats (not mukarari raiyats) reduced even temporarily for sudden and abnormal fall in prices of which the effect the agriculturists can ill-afford to bear? The Bill rather errs on the side of moderation and it deserves to be passed unopposed.

No. 557L.C.—26th March, 1940.—In pursuance of the provisions of rule 51 of the Bengal Legislative Council Procedure Rules, the following Bill which was introduced in the Bengal Legislative Council on the 15th March, 1940, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL AGRICULTURAL DEBTORS (AMENDMENT) BILL, 1938.

A
BILL

to amend the Bengal Agricultural Debtors Act of 1935.

WHEREAS it is expedient to provide for relief of indebtedness of agricultural debtors more completely and efficiently.

It is enacted as follows :—

1. This Bill may be called the Bengal Agricultural Debtors Amendment Bill of 1938.

2. It extends to whole of Bengal.

3. It shall come into force with the Bengal Act VII of 1936 in such areas and from such dates as the local Government may by notification direct.

4. In section 3, the following shall be added as sub-section (*3*) :—

"(*3*) That with the establishment of a Debt Settlement Board by notification in any area, all proceedings in Civil Courts including execution and delivery of possession proceedings, in connection with agricultural debts or agricultural rents of that area shall be stayed on either party's merely informing the Court, by a written petition that it is a case of agricultural debt or arrear rent of an agriculturist. But if no stay order is subsequently received from any board within three years the Civil Court proceedings shall be re-started on the application of either of the parties."

5. The existing sections 8, 9 and 10 shall be substituted by the following :—

"8. As soon as a Debt Settlement Board is established in any union, Government shall by a notification in the Gazette call upon all the creditors including landlords, to whom any agricultural debtor owes any money, to submit a complete statement of all agricultural debts or arrear rents due to them within three months of the notification, failing which (except for very cogent reasons) the debts shall be barred by limitation notwithstanding anything in the Indian Limitation Act, and no claim in respect of any amount due from any agriculturist in respect of which, no statement has been filed within time, or which has not been included in the debt statement filed in compliance with the Government notification, shall be entertained in any Civil Court.

9. Every statement filed in compliance with the provisions of section 8 shall be signed by the creditor or his authorised agent and shall be duly verified as true.

10. The statements filed by a creditor or landlord shall contain a separate statement in respect of each debtor or group of debtors in the prescribed form and shall include the following :—

(*a*) Name and address of the creditor or landlord submitting the statement.

(*b*) Name and address of debtor.

(*c*) Total amount of each debt claimed.

(*d*) History of each debt with particulars of the original principle and the rate of interest chargeable.

(*e*) Names and addresses of the other creditors so far as they are known to the creditor submitting the statement.

The Bengal Agricultural Debtors (Amendment) Bill, 1938.

(Clauses 6—11.)

(*f*) Particulars of the properties if any mortgaged to the creditor.

(*g*) Particulars of properties covered by any Civil Court or Certificate Court sale certificate.

(*h*) Particulars of the holdings of which arrear rents have been included in the statement.

(*i*) Particulars of other properties of the debtor as far as known.

(*j*) Particulars of supplementary income of the debtor if known.

(*k*) A declaration that agriculture is the primary means of livelihood of the debtor.

(*l*) Verification of the above statement. "

6. Section 11 of the existing Act shall be deleted.

7. Section 19(*1*)(*b*) of the Act shall be replaced by the following :—

" When the creditors and debtors do not agree to any amicable settlement or either of them do not appear in spite of notice, the Board of its own initiation shall settle such amount as payable to each non-agreeing or absentee creditor as it considers fair, but in so doing interest shall in no case be allowed at more than $6\frac{1}{4}$ per cent. simple interest on the original principle and the aggregate amount settled as payable by the debtor must not be more than 66 per cent. of the market value of the entire immovable properties owned by the debtor ."

8. In proviso to section 19(*1*)(*b*) in the first line after the words " Clause an " the word " adjudication " shall be substituted for the word " offer ".

9. The " Explanation " given at the end of section 19 shall be deleted.

10. The following shall be added in clause (*e*) of sub-section (*1*) to section 25, after the word " paid " :—

" But ordinarily unless the parties otherwise agree and the Board considers the agreement reasonable or the Board for any special reason thinks it proper to order otherwise, the Board shall instead of ordering cash payment by instalments, order transfer of particular plots of lands belonging to the debtor, in favour of the creditors in complete usufructuary mortgage for a certain number of years (not exceeding 20 years in any case) in full satisfaction of the amount settled as due under clause (*d*), the aggregate area so transferred to all the creditors being in no case more than one-third the area held by the debtor."

11. Section 31 shall be deleted.

In view of the amendments proposed above, corollary changes may be made in other sections of the Act by the Legislative Department.

STATEMENT OF OBJECTS AND REASONS.

The agricultural indebtedness of Bengal is largely due to exorbitant rate of interest charged by the creditors and readily agreed to by the debtors for want of proper banking facilities. It is the duty of the State to intervene and pull the debtors out of the pit in which they have fallen for reason not within their control. Agriculturists are the backbone of our country and the prosperity of Bengal depends on the sound economic position of its agriculturists. The interest of the agriculturists has been neglected too long, and now when the Legislature have realised the necessity of improving their economic condition by enactment, they should not be half-halting.

2. The Bengal Agricultural Debtors Act (Act VII of 1936) was enacted with the object of settling the agricultural debts mainly by compromise and hence provided for settlement, only when a debtor or creditor applied for settlement. But the agricultural debt settlement problem of Bengal is a very big problem and we cannot expect even to touch the fringe of the problem if we have to wait for applications and compromises. There are hundreds of reasons for a debtor or creditor not coming forward to apply for settlement. If we really mean business and honestly want the agricultural debts to be cleared off, we must by legislation compel all creditors apply for settlement within a fixed time and penalise non-compliance. Provision is therefore made in this Bill for compelling all creditors to file statement of agricultural debts within 3 months of establishment of the Board (*vide* clause 5 of Bill). Similar provisions are found in the Court of Wards Act according to which creditors of disqualified landlords are required to file statement of debts due to them. Provision is also made requiring Civil Courts to stay all proceedings in connection with agricultural debts and rents (*vide* clauses 4 and 5).

3. The existing Act is further defective in dealing with cases, in which amicable settlement proposals fail. To wait for 40 per cent. amicable settlement and then to give award against non-agreeing creditors is bound to result in dead-lock in 90 per cent. of cases. Section 21 of the Act is contemplated to give redress to the debtors in a roundabout way, who offer "fair proposals", but why should not the Board of its own motion examine each debt and determine the amount which is fairly payable to each creditor and include them in the award irrespective of the fact whether the creditor or the debtor agrees or not? If the Boards can give certificates of "fair offer" they can as well determine the amount fairly payable to each debtor according to certain definite principles to be laid down in the rules under the Act and settle all debts once for all. In the Bill therefore provision is made for settlement of debts by adjudication when parties disagree or either of them do not appear in spite of notice and the maximum rate of interest to be allowed is proposed to be fixed at 6½ per cent. on the original principal and the maximum amount that could be settled as the aggregate debt is proposed to be fixed at 66 per cent. of the market value of the immovable properties of the debtor (*vide* clause 7).

4. The procedure of cash recovery of amount included in the award by instalments is bound to be unworkable in the long run. The economic condition of an average agriculturist is so precarious, that in 90 per cent. of cases the debtors are sure to default in payments of instalments and their holdings will be sold off under Public Demands Recovery Act. All the labour of the Debt Board will then be wasted and it will hasten the ruin of the agriculturists. In order that the Act may be of real benefit to the agricultural debtors, it is proposed that unless parties otherwise agree, and the Board considers the agreement reasonable, or the Board for any special reason thinks some other manner of satisfaction of decree desirable, instead of merely noting in the award the amount payable to each creditor on each instalment, the Board shall by order ordinarily transfer not more than one-third the lands of the debtors to the creditors in usufructuary mortgage for fixed periods for clearance of all debts - the entire land reverting to the debtor free from all debts after 20 years or less period. Unless some such compulsory provision is made for ensuring payment of instalments, the labours of the Board will be entirely wasted (*vide* clause 10).

5. If the amendments as proposed are passed, the Debt Boards will be able to deal with all cases of agricultural debts completely and efficiently. There will be no need of any insolvency proceedings, as scaling down of debts to 66 per cent. of the full value of the property of the debtor will enable the debtor to pay off the entire debt in 20 years even if only one-third the land is given out in usufructuary mortgage. The value of a holding is generally equivalent to 5 years average value of the gross produce or 10 years average value of *barga* produce, and as such the creditor by enjoying one-third the holding in usufructuary mortgage for 20 years, will get 66 per cent. of the full value of the entire holding even if he enjoys it by letting out in *barga*. The scaling down of debts to 66 per cent. full value of the property of the debtor cannot be at all questioned from point of equity. In other countries e.g., Greece, the scaling down is far more drastic and the maximum amount that can be settled as payable by the debtor in that country is fixed at 60 per cent. of the value of the property.

No. 558L.C.—26th March, 1940.—In pursuance of the provisions of rule 51 of the Bengal Legislative Council Procedure Rules, the following Bill which was introduced in the Bengal Legislative Council on the 15th March, 1940, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL WATER-HYACINTH (AMENDING) BILL, 1938.

A
BILL

to amend the Bengal Water-hyacinth Act of 1936.

WHEREAS it is expedient to amend the Bengal Act XIII of 1936 for making necessary provision for the construction and maintenance of fences, barriers or storage pounds and for realisation of costs for such construction and their maintenance, it is enacted as follows:—

1. This Bill may be called the Bengal Water-hyacinth (Amending) Bill, 1938.

2. It shall extend to the whole of Bengal.

3. It shall come into force on such date as the Local Government may, by notification, appoint.

4. To section 13 of the Act (Act XIII of 1936) a third sub-section shall be added to the following effect:—

"The Collector may authorise the president of any union board to prepare the estimate for construction and maintenance of fences, barriers or storage pounds under this section in consultation with the union board members and the president on being so authorised shall prepare the estimate as well as an assessment list for realising the cost estimated from the cultivators benefited by such construction after considering the benefit likely to accrue to each assessee. The assessment list so prepared shall be final after disposal of objections, if any, filed before the chowkidari circle officer within 15 days of publication of the assessment list. The assessed cost shall be realisable like chowkidari tax but may also be realised by following the procedure laid down in section 12 of the Act."

STATEMENT OF OBJECTS AND REASONS.

The Bengal Water-hyacinth Act has so far remained a dead letter, but it can be made of great benefit to the people of rural areas if powers are given to union board presidents to prepare estimate of the cost of construction and maintenance of fences, barriers or storage pounds referred to in section 13(*1*) of the Act, and assessment list showing how much of the cost is to be realised from which tenant. Ordinarily the cost may be realised like chowkidari tax, but in special cases where the amount is large, powers should be given to realise the cost by taking possession of the lands benefited as laid down in section 12.

The crops of a huge tract of country of Bhati area are devastated by water-hyacinth only because there is no co-operation and organisation among the tenants for constructing and maintaining protective fences and barriers. If the union board is given the power of preparing the estimate and realising the costs from the persons benefited after assessing the cost on each, on due consideration of the benefit accrued, crops of a large tract of country can be easily saved. For obvious reasons the circle officer is proposed to be given powers to hear objections against assessment.

This is a very urgent legislative measure and if passed it will benefit the agriculturist to a great extent and stop the huge economic waste.
